

96th Annual Banquet & Awards

Silent Auction

For our 96th year, we will be holding a silent auction at the banquet and are currently collecting donations for this portion of the evening. This year, we are asking for donations from our members and will be selling tickets for a chance to bid on the items that are being donated. We are looking for gift cards, items, and experiences that can be bid on individually or combined with other offers to create a basket.

Businesses making donations to the silent auction will have their name/logo listed in the evening's slideshow, the program, be included in the weekly emails leading up to and following the event, have their donations mentioned and used in promotional social media leading up to the event (Facebook event page), and more. Complete the form below and return to Clancey by Monday, May 9, 2022!

Business Name: _____

Representative's Name: _____

Business Phone: _____
