Page County Welcomes Signs R Us to Shenandoah

Shenandoah, VA – Tomorrow, April 6th at 10:00 AM, the Luray-Page County Chamber of Commerce, Town of Shenandoah, and County of Page will gather at the new Signs R Us location to celebrate their grand opening. Located at 704 South Third Street in Shenandoah, the event will kick off with a ribbon-cutting at 10:00 am and the Open House will continue all day until 5:00 pm.

Signs R Us is a family-owned and operated business specializing in signs and apparel. Their services include sign installation, service, and manufacturing, wide format digital printing, vehicle graphics, and even customized apparel embroidery and printing. For their open house, the company will be offering 10% off everything purchased or ordered and 20% off select items during the event.
