

## 92<sup>nd</sup> Annual Banquet & Business Meeting

### We're Mad About Your Business

### Silent Auction

For our 92<sup>nd</sup> year, we will be holding a silent auction at the banquet. Unlike last year though, we're working to partner with other Designated Marketing Organizations across Virginia and the country to exchange vacation packages outside of Page County. This is an excellent way to advertise your business by visually displaying your goods and services before another community. Your donation is free advertising for not only your business, but the county as a whole.

We are currently collecting donations for this portion of the evening. Due to the new format, we are looking for gift cards/certificates predominately for restaurants, stays, and activities in Page County and the surrounding areas that can be combined with other offers to create a visitors' package.

Businesses making donations to the silent auction will have their name/logo listed in the evening's slideshow, the program, be included in the weekly emails leading up to and following the event, have their donations mentioned and used in promotional social media leading up to the event (includes: Facebook and Instagram), and more.
